Back-page Roster: Household Membership

Read to the respondent: *Please tell me the names of all the members of your household.* A household *is one or more people—regardless of blood or marital ties—who normally live in the same residence, eat together, and recognize the same head. To count as a household member, a person must have normally lived and eaten with the household for at least six of the last 12 months. Please be sure to include household members who are temporarily absent, servants, students away at boarding school, infants, and small children.* Write down the names of all household members.

Count household members, and circle the response to the scorecard's first indicator.

Please keep in mind the full definitions of household and household member in the "Guidelines for the Interpretation of Scorecard Indicators".
